“FAMILIES WHO SERVE” AT SAMARITAN INN

At the Samaritan Inn, we strive to build a well-rounded community of healing, peace, and comfort for our families. Unfortunately, there is something missing!

**Titus 2:7 "In everything set them an example
by doing what is good."**

What's missing? EXAMPLES OF THE BIBLICAL FAMILY!!!

How can you help? We are looking for families to come spend time by pouring love and life into our families through interaction and by modeling the goodness of God in the family unit. This can be done simply by coming once per month, on a weekend or an evening during the week. The idea is to bring the whole family! During your time here you could cookout, play board games, video games, or play catch. The activity isn't what's important, your presence is.

Will you help fill this need?
